

# Pleasure Cove II & III

DYNASTY SPAS

★★★★★

*My husband is a roofer, and after a long day at work, he loves to sit in the corner seat to enjoy a shoulder massage with the jets turned on full blast. The stereo sounds great, even with the pumps all turned up and the tub full of people. The LED-lit underwater jets light up the tub so well, and being able to change the color of the lights is too much fun. Thanks Dynasty Spas for lighting up our life!*
