

Tranquility Harbor

DYNASTY SPAS

This may be the best purchase my wife and I have ever made. It's great for relaxing at the end of the day, spending screen-free time with the kids, and it's big enough to entertain guests comfortably. We look forward to the weekends when we invite our friends over, fire up the grill, and spend the afternoon relaxing. This spa definitely lives up to its name.

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glows from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! In.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.

FEATURES 4 TYPES OF AUDIO SOURCES: AUX, USB, FM, AND BLUETOOTH.
