

Paradise Bay II & III

DYNASTY SPAS

Our Paradise Bay is just that – PARADISE! It has surpassed our expectations and then some! It's been so easy to maintain, and the kids love using it as well. It's always at the center of our parties and backyard gatherings, which we host even more frequently since purchasing our tub! It's been therapeutic both physically and mentally, and we recommend Dynasty Spas to all of our friends!

IN.TOUCH2® WI-FI REMOTE

Control all functions of your spa from your iOS or Android smartphone or tablet and the Intouch.2® app. Use predefined spa experiences or customize your own.

Available on the App Store GET IT ON Google Play

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glows from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! in.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.

FEATURES 4 TYPES OF AUDIO SOURCES:
AUX, USB, FM, AND BLUETOOTH.
