

Palm Island II & III

DYNASTY SPAS

★★★★★

My wife and I have discussed purchasing a hot tub for years and have been shopping around to check out the different spa styles and pricing. As soon as we started looking at the stylish tubs from Dynasty Spas, we knew we were finally in the right place. Our Palm Island looks so striking at night when fully lit with the fountains going...we couldn't be happier.

Upgrade Your Dynasty Spa Benefits

IN.TOUCH2® WI-FI REMOTE

Control all functions of your spa from your iOS or Android smartphone or tablet and the Intouch.2® app. Use predefined spa experiences or customize your own.

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glows from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! in.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.

FEATURES 4 TYPES OF AUDIO SOURCES:
AUX, USB, FM, AND BLUETOOTH.
