

17' Aquex Pro

DYNASTY SPAS

"I knew my husband wanted something that he could use to exercise, but I wanted to make sure I would also be able to enjoy our investment. Well, coming outside at night to relax in the lounge seat while my husband uses the rowing equipment has become the high point of my day. I like to use the In.Mix to set the lights on the controls and jets to suit whatever mood I'm in at the end of the day. I might not be using it for a work out like he is, but I definitely get our money's worth in enjoyment."

IN.TOUCH2® WI-FI REMOTE

Control all functions of your spa from your iOS or Android smartphone or tablet and the Intouch.2® app. Use predefined spa experiences or customize your own.

IN.MIX, LED CONTROLS

Stunning underwater light shows can do more than further enrich your soak, they can define your spa environment. They can change the mood from a party atmosphere to a romantic setting, as well as an added safety feature after dark. The in.Mix adjustable and independent zone LED lighting system provides 113 points of light that glows from the footwell up to the spa lip and controls. The visual delight of water shooting through a beautiful spectrum of color adds unique charm to your soak.

STANDARD IN.STREAM 2, INTEGRATED BLUETOOTH™ AUDIO SYSTEM

Streamed from your spa, your favorite music never sounded so good! in.stream 2 audio station is a compact, rugged and splash proof all in one outdoor audio system that delivers an awesome sound quality through Class D amplifier technology to enhance your backyard audio experience. It comes with an in.p4 docking station that connects, protects and lets you control your audio player or smartphone directly from your spa keypad.

FEATURES 4 TYPES OF AUDIO SOURCES:
AUX, USB, FM, AND BLUETOOTH.
